Thoughts from two trapped souls

by [MiaQc](#)

Summary

Flash fic. Two souls trapped in The Presence's dimension have a thought. They have one thing in common.

Have a good reading.

- A translation of [Réflexion de deux âmes piégées](#) by [MiaQc](#)

How long have I been wandering in this dimension?

How many days, how many months have passed since I was taken by
The Presence?

I do not know.

I barely remember who I am.

Or should I say, "who I was?"

But there is one thing I must never forget.

My name is Daniel.

Daniel... Noyer.

What madness, what abomination dwells in my soul?

For me to be in such a place.

In this world, this... dimension?

I am unable to find the words to describe it.

All these souls.

Painful souls, broken souls, souls controlled by this thing.

This monstrosity.

It is not the Shadow.

It is not the being that killed me, consumed me.

Yet here I am, in this damned place.

With this other creature of darkness.

However, there is one thing I must not forget.

My name is... Daniel.

Only Daniel.

Author's comment: The idea for this fanfic came to me when I paired the two Daniel's. How their souls, trapped by the Presence, try to survive/remain sane by holding onto their names.
